

BUS TRAVEL POLICY

Code of Conduct

To and from school and Excursion

Many students in the College travel to and from school via the local bus services (Busways), in addition students often travel to offsite activities on both external providers and the MPAC (Cumberland) bus. The safety of all students travelling on a school bus is of paramount importance. Students are required to uphold the Marsden Park Anglican College Student Code of Conduct, which emphasises our values of Live, Love and Lead to and from school.

Students are to care for each other and will take care of the bus. In addition to the Student Code of Conduct, the following is required for students travelling to and from school on the local buses and the MPAC buses.
