

23 March 2026

Dear Parents and Carers of Students in Years 5, 6 and 7,

The 2026 production of *The Wizard of Oz* is now underway. Thank you for your engagement in last week's audition process and for submitting your child's performance. The production team is currently reviewing all submissions and determining the most suitable role for each student.

Students who have presented particularly strong auditions will be invited to attend a callback session with the production team.¹

Dance Workshop and Callback Session

All students who have expressed interest in participating in *The Wizard of Oz* are now required to attend a Dance Workshop and Callback Session in **Week 9** of this term.

This session has two primary purposes:

1. To teach all cast members a selection of simple dance routines, assisting in the formation of dance ensembles within the production.
2. To conduct callback auditions for students who demonstrated strong speaking and singing performances, supporting the final selection of principal and supporting roles in *The Wizard of Oz*.
